

Primary Early Years Loyalty Advantage Terms and Conditions

The Primary Early Years Loyalty Advantage ("Loyalty Advantage") is designed to make it easier for families to begin their Marsden Primary journey earlier. Eligible students receive a staged reduction in tuition fees during their Primary years, with the greatest overall tuition fee advantage available to students who begin earliest.

1. Eligibility

- 1.1 The Loyalty Advantage is available to eligible new students commencing at Marsden Primary in Years 1, 2, 3 or 4 from 2027.
- 1.2 Students who commenced at Marsden Primary as new students in Years 1, 2, 3 or 4 during 2026 are also eligible for the Loyalty Advantage from 2027. These students will enter the Loyalty Advantage at the stage applicable to their year level in 2027 and will progress through the remaining stages of the scheme to the end of Year 5.
- 1.3 Girls transitioning from Marsden Preschool into Year 1 at Marsden Primary are eligible for the Loyalty Advantage.
- 1.4 Students commencing at Marsden Primary in Year 0 may also be eligible, as set out in section 3.

2. Loyalty Advantage structure

- 2.1 The Loyalty Advantage applicable to an eligible student is determined by her entry point, as set out below:

Starting in Year 1

75% tuition fee discount in Year 1
50% tuition fee discount in Year 2
25% tuition fee discount in Year 3
10% tuition fee discount in Year 4
5% tuition fee discount in Year 5

Starting in Year 2

50% tuition fee discount in Year 2
25% tuition fee discount in Year 3
10% tuition fee discount in Year 4
5% tuition fee discount in Year 5

Starting in Year 3

25% tuition fee discount in Year 3
10% tuition fee discount in Year 4
5% tuition fee discount in Year 5

Starting in Year 4

25% tuition fee discount in Year 4
5% tuition fee discount in Year 5

- 2.2 Each percentage reduction is calculated against the standard tuition fee applicable to the student's year level and is applied to the tuition fees charged each term.
- 2.3 Once an eligible student enters the Loyalty Advantage, she progresses through the applicable stages of the scheme according to her year level, through to the end of Year 5.
- 2.4 The Loyalty Advantage is a percentage reduction from the applicable standard tuition fee. It does not fix or guarantee the dollar amount of tuition fees in future years. Standard tuition fees may be reviewed and changed by the Trust Board from time to time.
- 2.5 Where an eligible student commences at Marsden Primary during the school year, the applicable Loyalty Advantage will apply to the tuition fees charged for each term in which the student is enrolled, from the term of commencement.

3. Year 0 entrants

- 3.1 Students commencing at Marsden Primary in Term 3 or Term 4 as Year 0 students are treated as Year 1 entrants for the purposes of the Loyalty Advantage.
- 3.2 The 75% Year 1 tuition fee advantage applies to the tuition fees charged for each term the student attends in Year 0.
- 3.3 The student will continue to receive the 75% Year 1 tuition fee advantage for her full Year 1 year, before progressing through the remaining stages of the scheme from Year 2 to Year 5.

4. What the Loyalty Advantage covers

- 4.1 The Loyalty Advantage applies to tuition fees only.
- 4.2 All other fees, charges and levies, including the Activity and Subscription Fee and the IT and Building Levy, continue to be payable at the standard applicable rates.

5. Year 6

- 5.1 The Loyalty Advantage ends at the completion of Year 5. From Year 6, the standard tuition fee applies and no further Loyalty Advantage reduction is available.

- 5.2 Participation in the Loyalty Advantage does not prevent an eligible student from applying for or receiving a Year 6–9 Scholarship through Marsden's established scholarship process.

6. Sibling discount

- 6.1 Eligible students may receive the Marsden sibling discount in addition to the Loyalty Advantage, subject to the standard terms applying to the sibling discount.

7. Availability

- 7.1 The Loyalty Advantage will be available from 2027 for a limited time and is subject to places being available at the relevant year level.
- 7.2 Marsden may review the availability of the Loyalty Advantage from time to time, taking into account enrolment numbers and available places, and may close or withdraw the Loyalty Advantage for new entrants at its discretion.
- 7.3 Any closure or withdrawal of the Loyalty Advantage to new entrants will not affect students already participating in the scheme, who will continue to receive the applicable Loyalty Advantage through to the end of Year 5, subject to these terms and conditions.

8. Other enrolment and fee conditions

- 8.1 Participation in the Loyalty Advantage does not alter Marsden's standard enrolment and fee terms and conditions.
- 8.2 All other applicable Marsden enrolment and fee terms and conditions continue to apply.

9. General

- 9.1 The Loyalty Advantage applies only to the eligible student and has no cash value.
- 9.2 The Loyalty Advantage cannot be transferred to another student or family.
