

Year 13 Stationery and Resources – 2026

Please have all your stationery ready for the first day of school. You will complete a lot of your school work on your personal device. You will be able to re-use clear files and continue using some exercise books.

You may wish to order your stationery online through one of the following suppliers and have it delivered directly to your home:

- OfficeMax (<https://www.myschool.co.nz/smckarori>)
- Qizzle (<https://schoolpacks.co.nz/samuel-marsden-collegiate-school/>)

Please purchase enough stationery to last the year.

Students are required to bring their own digital device for learning. We recommend a laptop or MacBook, which must be capable of running the Adobe suite of programmes. For further information and device recommendations, please read our information sheet on Teaching and Learning with BYOD .
