Year 12 Stationery and Resources – 2027

Please have all your stationery ready for the first day of school. Much of your schoolwork will be completed on your personal device. You may be able to reuse clear files and ring binders, and continue using some exercise books.

You may wish to order your stationery online through one of the following suppliers and have it delivered directly to your home:

- OfficeMax (https://www.myschool.co.nz/smckarori)
- Qizzle (https://schoolpacks.co.nz/samuel-marsden-collegiate-school/)

Please purchase enough stationery to last the year.

PERSONAL DEVICE

Students are required to bring their own digital device for learning. We recommend a laptop or MacBook, which must be capable of running the Adobe suite of programmes. For further information and device recommendations, please read our information sheet on Teaching and Learning with BYOD.

PB Tech has education deals available. You can use the BYOD coupon code SMC20 when purchasing to access a preferential rate.
